**We are running the Foundational Leadership Programme for Young Adults over six Saturdays from October 2019- April 2020**

## Welcome

The Foundational Leadership Programme offers participants a unique opportunity to explore and develop Gospel centered transformational leadership skills. These skills can be readily applied to the participant's own context, situations and background.

The programme is a mix of input from highly experienced experts, reflective practices, mentoring, journaling, spiritual accompaniment, workshops & social immersion.

*Participants are required to produce a learning log as part of an overall portfolio to serve as a framework for Integrative practice.*

This programme endeavors to provide participants with the knowledge and skills necessary to be Gospel centered transformational leaders and change agents within their own parishes, communities and pastoral settings.
